AWARD MESSAGE

This data science team is being recognized for the development and implementation of Case Escalation Prediction technology that proactively identifies cases that exhibit signs of an executive or technical escalation and then engages the ARS team to resolve them resulting in reduced customer friction points, team workload and manual interventions by executives. Great work team! Doug

ABOUT YOUR AWARD

This is a cash award, which will be processed in the same manner as your regular paycheck.

The timing of the award payout can take up to 4 - 8 weeks, depending upon the frequency with which you are paid and when the award was issued.

If you have any questions or require assistance, please contact your team lead or Human Resources representative.

You can view this award and other awards you have received under 'My Awards' on the 'My Dashboard' section of your recognition program site.
